Hi Teller's
Hi ORS
It was my pleasure to
contact your institute of learning
in the CD "Open House" Party.
This is my first attempt in CD affairs
- I was afraid to let my 5 watt
signal out in the crowded bands. Hi.
You had a very fine signal and your
operator had a perfect "easy-to-read"
fist. It was a pleasure. cfm QRP
- have never used over 5 watts input
in last 45 years of hamming. Hope work u some
more
